CIRCULAR, No. 1,199.

SIR, *War Office, 3rd September, 1855.*

IT having been found inconvenient to apply to the Army now on active service in the East the instructions contained in Articles 64, 65, 87, 92 and 93 of the Explanatory Directions, with respect to the settlement of the Commissariat Account for Rations supplied to the Troops on shore, and the annexing to the Pay List the Commissary's receipt for the amount, I am directed to acquaint you, that Lord Panmure has sanctioned for the Troops serving in the Crimea and in Turkey the discontinuance of such settlement.

I am accordingly to acquaint you, that, from the date when this alteration is made, under orders issued on the spot, the Paymaster is to account for the proper stoppages for Health Rations of provisions supplied on shore to Officers and Men by a specific credit in Form 23 in the Pay List, following the credit for disallowances, specifying the total number of days in each instance, and explaining in Form 13 the manner in which that number is arrived at, and the cause of variation, if any, between the number of stoppages credited and the number of days for which Rations will appear by Form 1 to have been supplied to Officers, and by the recapitulation of the charges for Pay to have been supplied to Men.

In any Pay Lists which may include actual payments to the Commissary, with the credits under the new arrangement, the number of Rations for which payment has been made to the Commissary, as shown by his receipt, will of course be added in the statement, Form 13, showing the agreement of the ration credits with the number of days pay charged.

As no payment will be made by Paymasters for Rations under the new arrangements, care is to be taken that the proportion of the Soldier's Pay applicable to his Ration is not drawn from the Military Chest, and, in preparing future Estimates, the calculated amount of such Rations is to be deducted on the face of the Estimate.

A copy of this Circular is forwarded to the Paymaster of the Regiment under your command.

I have the honor to be, Sir,
Your obedient Servant,
B. HAWES.

CIRCULAR, No. 1,198.

SIR, *War Office, 8th September, 1855.*

IT having been represented that much difficulty has occurred in settling claims for payment of Oats purchased by detachments of Cavalry on march, Forms of Accounts to be used on those occasions, with certificates subjoined, are herewith transmitted; and I am to request that the Commanding Officer of every detachment of your Regiment, upon receiving his "March Route," may be provided with as many of these Forms as may be necessary to enable him to make out a separate account of the Oats he may purchase at each place the detachment under his command may halt at during the march.

I am further to desire that Officers may be especially enjoined to enter all the particulars required in the Form, and that they should be careful to give no other description of voucher, receipt, order or bill; they must also be careful to pay the amount of stoppages for *Officers' Horses* to the supplier of the Oats, whether he be a Contractor or other person, as the amount of that stoppage will be deducted in settling the account for the whole quantity of Oats supplied.

The vender of the Oats should further be instructed to transmit the Form (filled up and certified as above directed) for payment to the Deputy Commissary General, 5, New Street, Spring Gardens, London.

I am, Sir,

Officer commanding —— Regiment. Your obedient Servant,

B. HAWES.

MEMORANDA, CIRCULARS, &c.

CIRCULAR.

MEMORANDUM. *Horse Guards, 27th August,* 1855.

WITH a view to assist the Commissioners of Chelsea Hospital in fixing the correct rates of Pension to which discharged Soldiers are entitled, the General Commanding-in-Chief desires that Officers commanding Regiments and Depôts will cause to be inserted in all discharge documents a certificate of the number of good conduct badges to which the Soldier to be discharged is entitled.

This certificate must follow immediately after the character, thus,—"His conduct has been ———, and he is in possession of ——— good conduct badges."

In the case of a Serjeant enlisted since 1st March, 1833, the entry shall be as follows:—

"His conduct has been ———, and he was in possession of ——— good conduct badges when promoted to the rank of Serjeant."

By Command.
G. A. WETHERALL,
Adjutant-General.

CIRCULAR.

MEMORANDUM. *Horse Guards, 25th September,* 1855.

IT having been represented to the General Commanding-in-Chief that the practice of snapping the Cocks of Muskets on the Nipples is calculated to break both the Cocks and Nipples, from the two hardened surfaces being brought into contact without a blind or service percussion cap lying between them, Viscount Hardinge hereby desires that this objectionable practice be henceforth discontinued.

By Command.
G. A. WETHERALL,
Adjutant-General.

To be addressed to Officers commanding Regiments and Depôts, and to General Officers.

GENERAL ORDER.

SIR, *War Office, 25th September,* 1855.

WITH reference to the printed letter addressed to you on 2nd May last, limiting the returns to be made respecting the effects of Soldiers becoming non-effective in the Crimea to War Office Forms 192 and 388, I am directed to acquaint you that as the Savings Banks' of each regiment in that country are kept by the depôts at home since 1st April last under the instructions of this office dated 17th March last, the certificate on Form 388 will not in future be required to be annexed to the statement of the effects of Soldiers becoming non-effective in that country; but it will be sufficient that a Memorandum be inserted on the statement of effects, that there is a balance in the Savings Bank of the regiment belonging to the Soldier.

I am, Sir,
Your obedient Servant,
B. HAWES.

To Officers commanding
Regiments in the Crimea.

GENERAL ORDER.

No. 655.

Horse Guards, 2nd October, 1855.

THE General Commanding-in-Chief has received Her Majesty's most gracious commands that Lieutenant General James Simpson, Commander of Her Majesty's Forces during the late arduous and finally successful operations, which have led to the fall of Sebastopol, shall be promoted to the rank of General.

The Queen has also been most graciously pleased to command, that Colonel Charles Ash Windham, *C.B.*, shall be promoted to the rank of Major General for his distinguished conduct in heading the Column of Attack which assaulted the Enemy's defences on the 8th September with the greatest intrepidity and coolness, as specially brought to the notice of Her Majesty in the Public Despatch of the Commander of the Forces, dated the 9th September.

By Command of the Right Honorable
FIELD MARSHAL VISCOUNT HARDINGE,

War Office, 16th October, 1855.

MANY instances having occurred of the War Office Forms Nos. 321 and 322, applicable—the former to the Messing of Officers on board ship, and the latter to Rations supplied to Officers and others when on board,—being either insufficiently filled up or wholly neglected, I am directed to request your particular attention to Articles 135 and 136 of the Explanatory Directions, and to point out that it is your duty in every instance of a Detachment of Officers or Men in your payment proceeding to or returning from a Station abroad, or from one Foreign Station to another, to provide the Officer or Non-Commissioned Officer in charge with a supply in duplicate of the Forms alluded to, with a strict injunction, that, on arrival at the place of destination, the said Forms, properly completed and certified, are to be delivered to the Paymaster or Agent into whose payment the Officer or Detachment shall pass.

A supply of the Forms in question is enclosed for immediate use, and further supplies thereof will be sent periodically. If at any time the quantities received are likely to prove inadequate, you are forthwith to transmit to this Office a timely requisition for such further supply as may be necessary.

16 *VICTORIA, R.*

WHEREAS we have deemed it advisable to allow to the widows and families, or to certain of the relatives hereinafter specified, of Officers of our Army who, since the declaration of war with Russia, have been or may be killed in action, or who have died or may die of wounds received in face of the enemy within six months after being wounded, the alternative of receiving a fixed sum of money, in lieu of such rates of pension and compassionate and other allowances as are prescribed by our Royal Warrant of the 15th of June, 1855; our will and pleasure is, that this our Royal Warrant, to be administered and interpreted by our Secretary at War, shall be the sole and standing authority upon the matters herein contained.

Rules and Regulations for granting a fixed Sum of Money in lieu of Pensions, Compassionate Allowances, and Gratuities to the Widows, Families and Relatives of Officers Killed in Action, or dying of Wounds in face of the enemy, within Six Months after being wounded: —

1. The amount of money to be paid to a widow, widow and children, or other relatives of an Officer killed in action, or dying of wounds received in face of the enemy within six months after being wounded, shall, whatever branch of the Service he may have belonged to, be the regulation price fixed for Commissions in Cavalry and Infantry of the Line, as set forth in the following scale, viz.: —

To the widow, widow and children, children, father, mother, sister or sisters of		Cavalry.	Infantry.
Ditto	Lieut. Col.	£6,175	£4,500
Ditto	Major	4,575	3,200
Ditto	Captain	3,225	1,800
Ditto	Lieutenant	1,190	700
Ditto	Ensign	840	450

but it shall in no case exceed the regulated price actually paid by the Officer for the purchase of his Commission or Commissions.

2. When an Officer so killed, or so dying of his wounds within six months, shall leave a widow only, the price thus fixed shall be paid to her for her sole and absolute benefit, provided she be not left in such wealthy circumstances as would otherwise preclude all claim to a pension; and she shall be required to give, according to such form as may be hereafter prescribed by the Secretary-at-War, an acknowledgment as having received such sum in lieu of, and as a full compensation for, all pension and gratuity to which she may have proved herself entitled in consequence of the loss of her husband.

3. In the event of an officer leaving a widow and children who have established a claim to the pension and compassionate allowance, then, and in that case, the money awarded in lieu thereof shall be invested in Government Securities, in the names of two or more trustees, to be nominated by the Secretary at War for the time being, and shall remain so invested, and the interest shall be receivable by the widow until her death, when the money shall be divided, share and share alike, among the children then alive of such deceased Officer. In the event, however, of

Digitized by Google

the widow surviving her said children, the money shall then become her sole and absolute property, as laid down in Article 2.

4. In the event of an officer leaving a child or children, but no widow, the money shall be invested, as stated in Article 3, and the interest thereof shall be applied by the trustees for the benefit of such child or children until he, she or they shall attain the age of twenty-one, when the money, as in the case of the widow, shall become the absolute property of such surviving child or children, share and share alike. Should, however, such child or children die before attaining the age of twenty-one years, then, and in that case, the money, after discharging all just liabilities, shall revert to the Crown.

5. In the event of an Officer leaving at his death neither widow, child, nor children, then the money shall be paid to his father, and if he leave no father, it may be paid to his mother, for his or her sole and absolute benefit, provided that neither be excluded by wealthy circumstances. And in the event of there being neither father nor mother, then the money shall be paid to the sister or sisters, as the case may be, share and share alike, and provided they shall have attained the age of twenty-one years. But should any sister or sisters be under that age, then the money shall be invested, and the interest be applied, as stated in Article 4, until such sister or sisters shall become twenty-one years of age, when it shall become the absolute property of the survivors or survivor. Should no survivors or survivor attain the age of twenty-one years, then the money, after discharging all just liabilities, shall revert to the Crown.

5. No grant of money under the provisions of this Warrant shall be made to the widow if she were ineligible for a pension under the provisions of the Royal Warrant of the 15th of June, 1855; but the ineligibility of the widow to any grant under this Warrant shall not affect the interests of the legitimate children of such deceased Officer, for whose benefit the money shall be invested, as stated in Article 4, except they be left in such wealthy circumstances as would disqualify them for the compassionate allowances under the provisions of Article 2.

7. In the event of it being represented and satisfactorily proved to the Secretary-at-War that any widow, on whose behalf money shall have been invested for the benefit of herself and children under the provisions of this Warrant, shall thereafter so conduct herself as to become unworthy of the bounty of the Crown, or shall neglect or ill-treat her children, then, and in that case, the Secretary-at-War shall have full power to make such arrangements for apportioning the interest of the money, and making better provision for the children, as in his judgment may seem most advisable.

8. The allowances to be granted under the authority of this Warrant are not applicable to the cases of Officers killed in action or dying of wounds before the declaration of war with Russia, but it is to take a retrospective effect up to that date; and, therefore, any Officer's widow to whom there may have been granted a pension, compassionate allowances for children, or gratuity for herself and children, or any other relative of an Officer who may have received a pension or gratuity under the Warrant of the 15th of June, 1855, who may wish to commute such pension, allowances or gratuities for the sum fixed under the provisions of this Warrant, shall be permitted to do so; but, in that case, whatever sums may have been received

by or on account of the widow or children or other relatives will have to be deducted from any amount paid under the terms of this Warrant.

9. A return of all sums paid under the provisions of this Warrant shall be laid annually before Parliament on or after the 1st of April.

Given at our Court at St. James's, this 23rd day of October, 1855, in the 19th year of our Reign.

By her Majesty's command,
PANMURE.

SIR, *War Office, 22nd October*, 1855.

I AM directed to acquaint you that the stoppages for the rations issued to invalid Soldiers on board the hospital ships "Great Tasmania" and "Saldanha," and other vessels arriving *from the seat of war*, are to be made at the *reduced rate of Threepence half-penny* for each ration; and that the benefit of this low rate of stoppage, *instead of Tenpence* as heretofore, is to be extended to the period such men may be treated in hospital at home *continuously after their landing in England*, and to add that the reduced rate of *Threepence half-penny* only will accordingly be chargeable to the invalids from the Crimea and from Turkey, *from and after the 1st instant*.

CIRCULAR, No. 1206.

No. 1 *Reports.*

SIR, *War Office, 22nd October*, 1855.

IT being found that much irregularity still prevails in regard to reporting invalid Soldiers and others who are sent *from the Crimea and from Turkey*, notwithstanding the special directions issued with a view to ensure the strictest compliance with the regulations on this head,—which prescribe that in every case of a detachment *proceeding to or returning from a foreign station** "the Officer in charge is to take care that he is furnished with a report, No. 1, which report he is to give to the Paymaster into whose payment he delivers up the Men,"—I am directed by the Secretary-at-War again

* Art. 175, Explan. Directions, 1848.

to call the particular attention of Commanding Officers, Paymasters and others to this important point of duty, and to desire that Paymasters will attend most carefully to the preparation of such reports, and that every Officer about to embark in charge of Invalids or others, take care to have such reports in his possession.

2. In the concluding paragraph of the Circular from this Department, dated 20th March last, No. 1,181, the Secretary-at-War expressed his reliance on Commanding Officers to give such orders as would ensure full and complete reports, whenever a Soldier should quit the Regiment, to the Paymaster by whom next to be subsisted, and in the Circular Letter addressed, on the 9th February last, to the several Paymasters in the Crimea, &c., the utmost punctuality and correctness was enjoined in furnishing these necessary reports, as required by the established regulations of the Service, to the Officers or Non-commissioned Officers in charge of the several parties of Invalids and others.

3. It has already been pointed out in the Circular last quoted, that it is not desirable the pay of Invalids embarking from the *Mediterranean* (which is to be considered as applicable also to the Army in the East) should be issued to a date beyond that preceding embarkation, but if under any special circumstances an advance, *for a limited period*, should be made, the Officer in charge is to see to the proper application thereof, and duly account for the same to the Paymaster by whom the Men shall be next subsisted.

4. As, notwithstanding every precaution taken at Balaklava, Scutari, Smyrna, &c., duly to furnish required No. 1 Reports, it may occur that Invalids embarked on board ships direct for *England*, or a portion of them, may be landed at *Malta*, and that some of the Men so landed may remain at Malta or return thence to their Regiments in the Crimea or Turkey as *effective Soldiers*, it is obviously essential that a system of classification should be adopted in the preparation of the No. 1 Reports, so as to facilitate the correct transfer of the Men into the payment of the Divisional and other Paymasters at the Island, it being concluded that the Men landing there will generally, if not invariably, be allotted to the Division at Malta answering to the Division to which the Regiments of the Men belong in the Crimea. A separate report for the Men of each Regiment should, therefore, be prepared accordingly in the Crimea and in Turkey, on the Men quitting the Regiment, or embarking at Balaklava or Scutari, &c., in the same ship.

5. It is, moreover, of importance, that on Invalids embarking at Malta for England, the Officer in charge should be put in possession of the No. 1 Reports, also Regimentally prepared by the Divisional Paymasters, very serious inconvenience and delay in effecting the settlements with the Men having in some instances resulted from the reports not arriving at Chatham until long after the Invalids had reached this country. Such reports, it may be observed, should invariably show not only the date *to*, but also that *from*, which the Men shall have been subsisted by the Divisional Paymasters at home.

6. Whenever a Soldier ordered to embark at a port in the Crimea or in Turkey for this country, and reported accordingly, shall from any cause whatsoever not ultimately so embark, the Paymaster who reported him should be immediately informed of the circumstance, in order that, by the earliest opportunity, he may communicate the information to the Paymaster of the Invalid Depôt at Chatham for his guidance in correction of the first report.

Digitized by Google

No. 1 Reports and Victualling Certificates.

7. I am further to point out that great inconvenience and embarrassment arises from Officers arriving in England with Invalids from the seat of war not accompanying them to Chatham as required by the Queen's Regulations and Orders for the Army,* in order that they may deliver over the No. 1 Reports, victualling certificates, duly completed, &c., and afford every possible information to the Paymaster of the Invalid Depôt at that Station. This requisite point of duty is to be complied with in every instance without fail.

Victualling Certificates.—War Office Forms 321 *and* 322.

8. With regard to the victualling certificates, or ration returns,† I am to observe, that in numerous instances Officers are reported to have landed, both in the Crimea from England, and in this country from the East, unprovided with these most necessary documents, thus greatly adding to the difficulties of the respective Paymasters, and the Secretary-at-War accordingly desires that on every occasion when Invalids or other Soldiers shall embark *from* or *for* a foreign Station, the Paymaster by whom the Men shall have been previously subsisted shall furnish the Officer in charge with the proper forms of ration certificates, for which purpose an ample supply will be forwarded to all the Paymasters in the Service, who are to make timely application to this Department for fresh supplies thereof when necessary, so as always to have a sufficient number in hand.

General Observations.

9. In conclusion, I am directed by Lord Panmure to impress upon all Officers concerned the great importance of a due regard to the foregoing instructions, to secure perfect correctness and regularity in furnishing the indispensible documents which are the subject of this communication, and to avoid the objections and disallowances which necessarily follow a disregard of the regulations on this head.

I have the honour to be, Sir,
Your most obedient Servant,
B. HAWES.

To Officers commanding Regiments and Depôts, Depôts and Provisional Battalions, and Consolidated Cavalry Depôts and all Paymasters.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

VICTORIA R.

Whereas we have judged it expedient to revise that part of our Royal Warrant of the Sixth day of October, Eighteen hundred and fifty-four, which regulates the Half-pay of Regimental Quartermasters: our will and pleasure is, that Quartermasters who shall have served for an aggregate period of thirty years, of which at least ten years shall have been as Quartermaster, shall have a claim to retire, with the honorary rank of Captain, upon the Half-pay of Ten shillings a day, provided such retirement shall be recommended to us by our Secretary of State for the War Department.

It is our further will and pleasure, that this our Royal Warrant shall have a retrospective operation, so as to confer the honorary rank and increased Half-pay upon all Quartermasters who, after the completion of the aforesaid periods of service, have retired since the declaration of the present War with Russia.

Given at our Court at St. James', this Twelfth day of October, 1855, in the Nineteenth year of our reign.

CIRCULAR. No. 1,209.

SIR, *War Office, 29th October*, 1855.

I am directed by the Secretary-at-War to notify to you that the French Government have communicated to his Majesty's Principal Secretary of State for Foreign Affairs the particulars of an arrangement under which the French Railway Companies consent to convey Officers and Men of the Land and Naval Forces in her Majesty's Service on the same terms as those in the French Services.

Under such arrangement, Officers are required to pay Half-fare for whatever Class they may choose to travel by, and the Fares of Soldiers and Sailors are in like manner reduced to the extent of One-half of the ordinary rates.

The Railway Companies will also be ready to make further modifications in the case of Troops travelling in large bodies, which are to be settled according to the number transported.

In communicating this liberal concession on the part of the French Railway Companies, I am to point out to you, for the information of all Officers and Men under your command, who may be directed to travel by this route, that such reduction of fares will only be extended to those who are provided

with the necessary routes or passports to substantiate their claims to these advantages.

I am to add that the claims sent in to this Department for travelling expenses of Officers and Men proceeding at the public expense through France will accordingly only be admitted in conformity with the fares thus established.

I have the honour to be, &c.,

MEMORANDUM. *Horse Guards, 31st October*, 1855.

Great inconvenience having arisen in the adjustment of claims for compensation in lieu of Clothing in the case of Men sent home from Foreign Service, consequent upon the non-transmission of the Return heretofore sent to the Regimental Agents upon this subject, Commanding Officers are enjoined to be particularly careful in forwarding such with the utmost regularity, *direct*, to the Director General of Army Clothing, War Department, Pall Mall, London, according to the subjoined Form.

Similar Returns should be sent with all drafts of Invalids sent home from the East; and Commanding Officers are reminded of the necessity of the usual entry being made in the Soldier's Pocket Ledger of all Clothing which they may have received, from the omission of which much inconvenience results to the Soldier on being discharged from the Service.

By Command.

SIR, *War Office, 10th November,* 1855.

The situation of Regimental Paymaster's Clerk, who at present receives the pay of Serjeant, with an increase of Sixpence a day after Seven years' uninterrupted service in that rank, having been brought under the consideration of the Secretary at War, with a view to some improvement thereof, and it appearing to Lord Panmure that the qualifications required for the efficient performance of the duties of that appointment are deserving of a better provision, I am directed to acquaint you, that the increased pay of Sixpence a day, with the rank of Colour Serjeant, now sanctioned after Seven years' service to the Regimental Paymaster's Clerk, will be granted after Three years' uninterrupted service in that rank, under the same provi-

Sir, *War Office, 19th November, 1855.*

Complaints having been addressed to the Secretary at War of the unnecessary detention in Gaol of Soldiers committed to the custody of the Governors thereof on charges of Desertion, and it being found that the Descriptive Returns received from the Committing Magistrates under the provisions of the 46th clause of the Mutiny Act, which are referred to Officers commanding with a view to the prompt and satisfactory identification of the individuals charged with the offence of Desertion, are frequently detained, instead of being forwarded to the War Office with the least possible delay, as in every instance the several Commanding Officers are particularly requested to do, I have now the honour, by direction of the Secretary at War, to acquaint you that such Descriptive Returns, when referred to you, should be sent back to the War Office, with the information required, by return of post, if possible, and if that be not practicable, I am then directed to desire that the Secretary at War may as immediately be informed of the cause of delay.

I have the honour to be, Sir,
Your most obedient humble Servant,

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

Foreign Office, May 10, 1855. (Signed) CLARENDON.
